## Step 1: Prepare a PDF for online submission [see guide: https://edin.ac/2UIDGNZ]

If you have a cloud storage account for OneDrive, Box, Dropbox or Google Drive then storing your PDFs on there might make the next step easier for you.
Step 2: Uploading to Learn

1. Visit your course's page on Learn and find the assignment. It should look something like this:

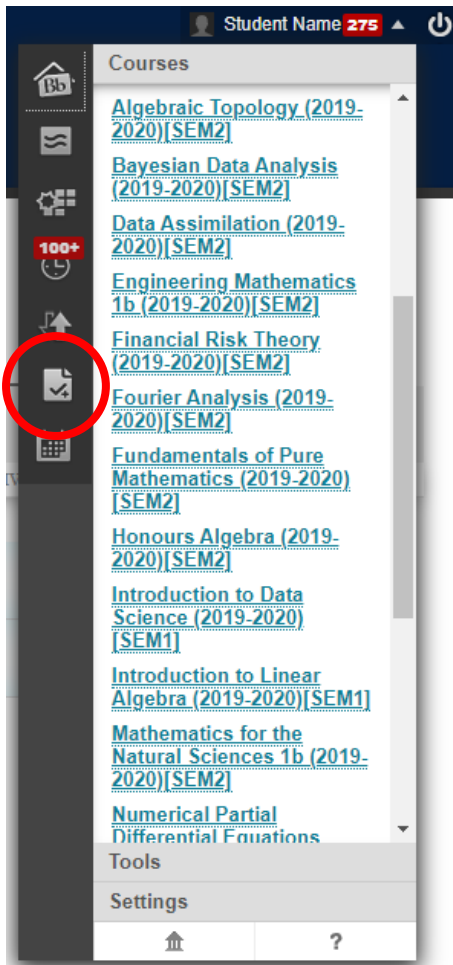

2. Click on the assignment. In the ASSIGNMENT SUBMISSION section, choose 'Browse My Computer' or 'Browser Cloud Storage', depending on where you have saved your PDF.

3. After selecting the PDF you wish to submit, click 'Submit'. You should receive a confirmation message that your submission has worked. You should then receive a confirmation email.

Success! Your submission appears on this page. The submission confirmation number is . Copy and save this number as proof of your submission. View all of your submission receipts in My Grades.

You can view all the files you have submitted by going to 'My Grades' in menu at the top-right of the screen.

Choose 'Submitted' then click on the number next to 'Submission Receipts'.
